

# 180-DAY COMFORT GUARANTEE

1. Minimum mattress purchase of \$999
2. This warranty applies to the mattress only, not the boxspring, adjustable base or any other bedding product. It can be exercised once you have slept in your new mattress for a minimum of 21 days to allow for proper adjustment to your mattress.
3. The exchange, including a date that you are available for redelivery, must be completed within 180 days from your original delivery date. Please allow enough time for us to re-order your replacement in the event that it is not in stock.
4. You **MUST** purchase a mattress protector from Dunk and Bright and have used it for the entire time between ownership/delivery and exchange of your mattress.
5. The mattress must be free of any stains, blemishes or damage upon exchange.
6. A \$249 exchange fee must be collected prior to exchange to cover delivery costs.
7. Comfort exchanges cannot be applied to close out mattresses or floor models.
8. The price you originally paid for the mattress will be applied to your reselection and will be based on the regular retail price of the mattress you choose. Sale pricing and promotions do not apply to your reselection.
9. Any difference in price from original selection must be paid in full prior to re-delivery.
10. During exchange if a lower cost mattress is selected, no credit or cash refunds are to be given.
