Our customers aren't
numbers, they're

neighbors

At Pilgrim Furniture & Mattress City, we don't have a hundred stores, we have four, right here in Connecticut. Our customers aren't numbers...they're neighbors. Your kids probably go to school with our kids. You see, Pilgrim Furniture & Mattress City has served Connecticut since 1961. In addition to our main showroom in Southington we added a second store in Milford, a third in Manchester, as well as a fourth in Danbury. We now have four superstore locations totaling more than 280,000 square feet of showroom space. What's that mean to you? More convenience, more selection, more brands, more of what you are looking for, all at the guaranteed lowest price.

For over 50 years, locally owned, Connecticut grown.

The lattice design on the headboard of this panel bed showcases beautiful style. Its breakfront pilasters and profiled base moldings add to the sophisticated design. The textured antique white finish has a modern cottage appeal that creates a fresh and inviting atmosphere for your master bedroom retreat.
