SUB-ZERO

30" Built-In Over-and-Under

Over-and-under model BI-30U offers easy-access refrigerated storage with a roll-out freezer drawer. Sub-Zero dual refrigeration along with new air purification and water filtration systems guard the freshness of your food and water like nothing before. Framed, overlay, flush inset and stainless steel design options are available. The flush inset installation allows the unit to sit flush with surrounding cabinetry. Model BI-30U is ENERGY STAR® qualified.

Model BI-30U shown with stainless steel flush inset panels and tubular handles.

FEATURES

- Dual refrigeration system ensures the freshest food and energy efficiency.
- Electronic microprocessor constantly monitors entire unit to ensure proper food storage environment.
- Air purification system reduces odors, bacteria, viruses and ethylene gas.
- Microbiological water filtration system filters bacteria, viruses and sediment, but not fluoride.
- Illuminated touch control panel.
- Bright interior lighting throughout, including storage drawer area.
- Adjustable spill-proof glass shelves, door shelves and dairy compartment.
- Soft-close crisper and deli drawers form a lower temperature zone ideal for produce and meats.
- Easy-access flip-up grille.
- Informational freshness cards.
- Full-extension, roll-out freezer drawer.
- Max ice feature increases production for a 24-hour period.

Flip-up grille.

Air purification system.
