

SHERMAN'S

COMMERCIAL ADVANTAGE

Return Policy

At Sherman's, after the sale, service is crucial. We want to ensure that you have all the information about your appliances before you order. Our Commercial Sales Team maintains open communication with your builder/contractor, providing them (or you) with appliance specs after final selections.

However, you, the contractor, and/or cabinet maker are responsible for verifying size and utility locations. Appliances are non-refundable and cannot be returned, opened, or unopened.

To avoid fitment issues, ensure all parties agree on specifications before ordering the appliances. Approved appliance orders are non-returnable.

By signing, you authorize Sherman's to order your quoted appliances and accept full responsibility for any subsequent changes.

If you have any doubts, please double-check with your builder/contractor before signing.

Please be aware that any orders are subject to manufacturer delays and/or back orders. We will do our best to communicate these delays to you directly.
