# THE BENNETT'S LEGACY

## Honouring the Bennett's Legacy

Bennett's has been part of the fabric of Ontario homes for nearly a century. What began in 1926 as a modest furniture store in Campbellford has grown into a respected family-run business with locations in Peterborough, Kingston, and Campbellford — still proudly owned and operated by the Bennett family today. Through generations of care and craftsmanship, Bennett's has never lost sight of what matters most: quality products, exceptional service, and a commitment to community.

Their legacy is built not only on beautiful furniture, but on trust — the kind that's earned through decades of treating customers like family. It's that same spirit that carries through every room they help furnish, every family they serve, and every team member who proudly wears the Bennett's name.

This magazine is a tribute to that legacy. It reflects the timeless values that Bennett's stands for and the belief that every home deserves to feel warm, personal, and well-loved — no matter your style or stage of life.

# FROM MY HOME TO YOURS

I'm Sasha Harrison — a mom, designer, and storyteller at heart. Over the years, I've poured my energy into transforming spaces that are not only beautiful but meaningful. That passion led me to curate this magazine for Bennett's — a beloved Canadian brand that's stood the test of time, offering quality furnishings and a true sense of home to families across our communities.

This magazine isn't just about furniture — it's about the feeling behind it. It's about morning cuddles on a cozy sectional, family moments around the dining table, and the quiet beauty of pieces that witness our everyday lives. I've hand-selected each image and story with intention: to inspire, to connect, and to show just how attainable a warm, beautiful, and livable space can be.

Working with Bennett's feels so natural because we share the same values — creating homes that feel lived in, loved, and lasting. Whether you're just starting out, growing your family, or refreshing a longtime space, we're here to help you make it yours.

With Love,

*Sasha*
